NATIONAL MEDICAL COMMISSION

NOTIFICATION

New Delhi, the 28th October, 2020

No. NMC/MC(ASC)/98-med.(fi)/123627 In exercise of the powers conferred by section 57 of the National Medical Commission Act, 2019 (30 of 2019), the National Medical Commission hereby makes the following regulations namely:-

1. (i) Short title and commencement. These regulations may be called the "Minimum Requirements for Annual MBBS Admissions Regulations, 2020".

(ii) They shall come into force on the date of their publication in the Official Gazette.

2. Applicability. These Regulations shall be applicable for Medical Colleges being established from the academic session 2021 - onwards.

3. (i) The relevant Minimum Standard Requirements for the Medical College for 50/100/150/200/250 Regulations and the Requirements to be fulfilled by the Applicant Colleges for obtaining Letter of Intent and Letter of Permission for Establishment of the new Medical Colleges and Yearly Renewals under Section 10-A of the Indian Medical Council Act, 1956 read with section 61(2) of the NMC Act, 2019 shall be the governing Regulations for Medical Colleges established prior to last date of grant of letter of permission for establishing new Medical College-renewal of permission/increase of intake capacity for the Academic Session 2020-21.

4. Preamble.

There is a necessity to recast medical education and training to enable the Medical Graduate to be able to effectively discharge their role as a physician in this changing world. The new demands on medical education also necessitate redefining the standards. There is a need to define standards based on functional requirements, rather than in absolute terms. Quality should be the bench mark of the new standard. Optimization and flexibility in utilizing the available resources, and harnessing modern educational technology tools would facilitate in moving towards quality education even when resources are relatively scarce. The current regulations on minimum standards for undergraduate medical training institutions in India attempts to define the new standards in terms of the new paradigm.

5. Objective. The objective of these regulations is to prescribe for a medical college and Medical Institution applying for admission of MBBS students annually, the minimum requirements of accommodation in the college and its associated teaching hospitals, staff (teaching and technical) and equipment in the college departments and hospitals.

6. Departments. Every medical college and Medical Institution approved for M.B.B.S admissions annually shall have the following departments namely -

i. ANATOMY
ii. PHYSIOLOGY
iii. BIOCHEMISTRY
iv. PATHOLOGY
