Respected Ma'am,  
Department of Community Medicine, Dr Baba Saheb Ambedkar Medical College, Rohini, Delhi observed the World Environment Day (WED) 2024 is centered on the critical themes of land restoration, halting desertification, and enhancing drought resilience. To celebrate this occasion, the Department of Community Medicine organized an event where students, interns, and staff from the department planted saplings. The report of the same is enclosed herewith.

Kind regards

Department of Community medicine

Dr. BSA Medical College
