Notice For Students

NMC Patient Safety Program is being celebrated from 17th to 25th September.

On Day Five 21st September 2023, A Poster/ Slogan competition among students on International Patient Safety Goals is being organized from 10 am-1 PM in Practical Hall, Department of Microbiology.

The themes of poster/slogan making competition is on based on best practices implemented at our college/hospital in following goals enlisted below:

- **Goal One: Identify patients correctly.**
- **Goal Two: Improve staff communication.**
- **Goal Three: Use medicines safely.**
- **Goal Four: Use alarms safely**
- **Goal Five: Prevent infection.**
- **Goal Six: Identify patient safety risks.**
- **Goal Seven: Prevent mistakes in surgery.**

The students are requested to bring their own writing/drawing material. A4 sheets will be provided to them from the department.

As discussed with Dr S. K. Bajaj the participating students will be exempted from their clinical postings and attendance will be given to them except in case of exams/ ward leavings/ class tests etc. which should not be missed. Attendance of the participating students will be countersigned and sent to the respective departments for kind perusal.

Sub: Observation of Vasectomy Fortnight for Enhancing Male Participation in Family Planning methods wef 21 Nov to 04 Dec 2023

References: Copies attached

- (i) Letter of Directorate of Family Welfare, Govt of NCT of Delhi dt 10 Nov 2023.
- (ii) Attached copy of Addl secretary & Mission Director (NHM)
- (iii) Guidelines for Vasectomy Fortnight 2023.

Sir,

1. With reference to the letters from the Director of Family Welfare (DFW), Government of NCT of Delhi, we have received the following guidelines suggesting activities to carry out to enhance male participation in family planning by observing vasectomy (No Scalpel vasectomy method) fortnightly every year in the months of 21 November- 04 December 2023.
2. Sensitization meeting/class for students (both undergraduate and interns)
 - a) Conducting competitions (essay writing, slogan, poster, debate, etc.) related to male participation in FP and NSV vis-à-vis female sterilization
 - b) Focus group discussions (FGD)/health talks by residents and students in the various areas of hospitals and the community to encourage men to come forward in decision-making and supporting their partners.
 - c) Extending/intensifying FP services in adopted areas and beyond
 - d) Referrals for NSV and other methods.

2. As the designated nodal officer for this upcoming campaign, I am pleased to inform you that this department plans to contribute the following activities to

address all the suggested points outlined by the DFW, Government of NCT of Delhi:"

- (i) A lecture has been planned for undergraduate students.
 - (ii) The nursing staff of this department organize meeting with village administrators to involve the ASHA team to enhance awareness among the male population about family planning, followed by the distribution of IEC material and referral of cases to this hospital for No Scalpel Vasectomy.
 - (iii) To conduct poster competition with Theme: Beyond Family Planning
Objective: Highlighting the crucial role of male involvement in promoting reproductive health through active participation in family planning methods.
 - (iv) We also suggest or propose installing a contraceptive/condom vending machines at a high footfall location within the hospital premises near entrance gates, DOTS/ Pulmonology department and cafeteria locations.
3. These activities aim not only to fulfill immediate needs but also to contribute to a comprehensive approach in addressing 'unmet needs' related to family planning and male involvement in the community.
4. It is kindly request your approval for the planned activities and any further guidance may be provided.

(Dr. Karan)
