SUB: Decision on designation of faculty by APC - Reg.

Respected Sir,

A virtual meeting of APC was held on 08.02.2025, under the Chairmanship of Dr. Vandana Talwar, Dean USM & AHS, GGSIPU, to discuss several issues pertaining to UG and PG programs programs.

Regarding designations and experience of faculty, it was decided in the meeting that (a) the recognition of a faculty as Associate Professor/Professor by GGSIPU should be purely on the basis of NMC TEQs and should not be dependent on CHS designations and (b) Experience of a faculty (Permanent/contractual/ad hoc but fulitime) before joining GGSIPU affiliated institute should be counted in total experience while giving designations by GGSIPU. Further, the committee suggested to consider/validate the experience gained by faculty in their teaching experience irrespective of the nature of service (regular, contractual, ad hoc but fulltime) from any Government or Private Medical institute as their designated duties are same as regular employees.

You are therefore requested to decide the designations of faculty in accordance with the suggestion/ recommendation of APC.

Yours faithfully,

(Dr. Poonam Narang)
