NATIONAL MEDICAL COMMISSION

NOTIFICATION

New Delhi, the 28th October, 2020

No. NMC/MC/135(1)/98-med.(d)/123627 In exercise of the powers conferred by section 57 of the National Medical Commission Act, 2019 (30 of 2019), the National Medical Commission hereby makes the following regulations namely:-

1. (1) Short title and commencement. These regulations may be called the "Minimum Requirements for Annual MBBS Admissions Regulations, 2020".

(2) They shall come into force on the date of their publication in the Official Gazette.

2. Applicability. These Regulations shall be applicable for Medical Colleges being established from the academic session 2021-22 onwards.

3. The relevant Minimum Standard Requirements for the Medical College for 50/100/150/200/250 Regulations and the Requirements to be fulfilled by the Applicant Colleges for obtaining Letter of Intent and Letter of Permission for Establishment of the new Medical Colleges and Yearly Renewals under Section 10-A of the Indian Medical Council Act, 1956 read with section 61(2) of the NMC Act, 2019 shall be the governing Regulations for Medical Colleges established prior to last date of grant of letter of permission for establishing new Medical College-renewal of permission/increase of intake capacity for the Academic Session 2020-21.

4. Preamble.

There is a necessity to re-cast medical education and training to enable the Medical Graduate to be able to effectively discharge their role as a physician in this changing world. The new demands on medical education also necessitate redefining the standards. There is a need to define standards based on functional requirements, rather than in absolute terms. Quality should be the bench mark of the new standard. Optimization and flexibility in utilizing the available resources, and harnessing modern educational technology tools would facilitate in moving towards quality education even when resources are relatively scarce. The current regulations on minimum standards for undergraduate medical training institutions in India attempts to define the new standards in terms of the new paradigm.

5. Objective. The objective of these regulations is to prescribe for a medical college and Medical Institution approved for admission of MBBS students annually, the minimum requirements of accommodation in the college and its associated teaching hospitals, staff (teaching and technical) and equipment in the college departments and hospitals.

6. Departments. Every medical college and Medical Institution approved for M.B.B.S admissions annually shall have the following departments, namely -

i. ANATOMY
ii. PHYSIOLOGY
iii. BIOCHEMISTRY
iv. PATHOLOGY
MICROBIOLOGY
vi. PHARMACOLOGY
vii. FORENSIC MEDICINE & TOXICOLOGY
viii. COMMUNITY MEDICINE
ix. GENERAL MEDICINE
x. PAEDIATRICS
xi. PSYCHIATRY
xii. DERMATOLOGY
xiii. RESPIRATORY MEDICINE
xiv. GENERAL SURGERY
xv. ORTHOPAEDICS
[illegible]

NMC Instructions .6

iv) These service laboratories can be located in either the medical college, teaching hospital or both.

v) The Virology Service Laboratory shall be a BSL-2 level laboratory (as per e gazette No MCI-34(41)/2020-Med/103234 notified on 3.11.2020)

? year.

A.2.4. Department of Forensic Medicine & Toxicology

i) **Postmortem/Autopsy Block** - There shall be a mortuary cum postmortem/ Autopsy Block (approx.400 sq M area) with facilities for cold storage for cadavers, safe rooms, washing facilities, with an accommodation capacity of 20-25 students, waiting hall, office etc. The location of mortuary/autopsy block should preferably be adjacent to the hospital building and may be shared with the department of Pathology. In case the college is not permitted to carry out medico-legal autopsies, the college shall have a MoU with a government/district hospital for post-mortems to teach and train students.

A.2.5. Department of Community Medicine

i) **Primary Health Center/Rural Health Training Center.** Every medical college shall have atleast one primary health center/rural health training centre affiliated to it for training of students as described at A.1.14.

ii) **Urban Health Training Center.** The urban health center shall be owned by the college or should be affiliated to Government owned Health Center. If it is the latter, the academic control shall be with the Dean/Principal of the medical college for training of students and interns in community oriented primary health care. Adequate transport shall be provided for commuting the staff and students.

2.6. Department of Pharmacology

i) **Animal holding area.** For teaching Pharmacology in undergraduate curriculum, the required knowledge and skills should be imparted by using computer assisted module. However, if research and postgraduate training is envisaged, only an animal hold area, as per CPCSEA Guidelines is required.

3. HOSTELS FOR STUDENTS/INTERNS

separate furniture which shall include chair, table, bed and full size cupboard at the least. (provide for atleast 9 sq.M area/student). It is desirable that hostel rooms are either single or double accommodation facilities. Adequate recreational, dining and24x7 security facilities shall be provided at the hostels.

Desirable: Accommodation for all students who request for/ require such facility
Aspirational: Accommodation for 100% students and interns

B. TEACHING HOSPITAL.

B.1 GENERAL REMARKS

1. At the time of submission of application to the Medical Assessment and Rating Board of the National Medical Commission for intakes upto 150 MBBS students annually, there shall be available a fully functional hospital for atleast 2 years with 300 beds or in North-East or Hilly States 250 beds, with all necessary infrastructure like OPD, ladies wards, OTs, ICUs, Casualty, Labour Room, Laboratories, Blood Bank, CSSD, etc having a minimum of 60% indoor bed occupancy. It should also have been providing services in the departments of Medicine, Pediatrics, Dermatology, Surgery, Orthopedics, Obstetrics & Gynecology, Ophthalmology, Oto-rhino-laryngology, Anesthesiology and Radiology.

2. The hospital building shall conform to the existing national building norms and various local statutory regulations for hospitals taking into consideration the requirements of the hospital as a service provider including administration, registration, records storage, out-patient and in-patient areas, operating theaters, CSSD, ICUs, Radiology and laboratory services, emergency areas, etc. The teaching hospital shall provide for the minimum requirements as prescribed in these regulations.

3 Space for Clinical Teaching Departments, Teaching faculty and Residents

(i) When the teaching hospital and medical college are in a unitary campus, rooms for the clinical departments and its teaching faculty can be provided either in the medical college or in the teaching hospital.

(ii) When the teaching hospital and medical college are on separate plots, besides the statutory requirements for the hospital, the teaching hospital shall also have space for the offices of the clinical departments and rooms for the teaching faculty as prescribed at A.1.18.

Teaching rooms. The teaching hospital shall have atleast 1 (one)teaching room for each of the Clinical teaching departments with a capacity to accommodate atleast 30 and may be provided for the medical college for clinical cases discussions/demonstrations. Each such room shall have audio visual facilities. Small group teaching in clinical departments essentially entails out patient clinic and bed side teaching. However, additional teaching rooms shall be provided as required for any of the clinical teaching departments.
